Supporting Materials

In an effort to provide the best service and most efficient review of your application, no planning application will be accepted unless an appointment is made and the application is determined to be complete, containing all items on the application checklist. To schedule an application submittal appointment, please contact the Planning Department Administrative Assistant at 801-766-9793 x126.

Plans will be routed for review the first business day after they are received. Once routed, most applications will receive a response within 10 business days. Reviews may occasionally take longer for large projects or those with complex circumstances; in these instances the City will notify the applicant of the extended review period.

19.22.01. General Annexation Petition Requirements and Procedures.

In accordance with Utah statutory and case law, the decision whether to annex property is an inherently legislative decision. The City Council has complete legislative discretion of whether to grant or deny an annexation petition. Should the Council choose to exercise its legislative discretion in granting an annexation petition, the following requirements shall apply:

- 1. Developers shall provide public improvements in accordance with City ordinances.
- 2. Developers shall pay all applicable impact fees, service fees, and assessments in addition to the annexation fee.
- 3. Developers will be subject to all other appropriate and adopted fees to offset the costs to the City.
- 4. The applicant will be charged for all attorneys' fees associated with review of the annexation and drafting of applicable documents.
- 5. Piecemeal annexation of individual small parcels of property is discouraged if contiguous parcels, soon to be developed, are available in order to avoid repetitious annexations.
- 6. Except as permitted in Utah Code § 10-2-401 et seq., no islands or peninsulas of another jurisdiction shall be created by the annexation.
- 7. Irregular boundaries should be minimized.
- 8. The annexation shall generally follow existing roads, property lines, easements, utilities, and power lines in order to minimize the public expense for extension of main or service lines and streets.
- 9. In order to facilitate the consolidation of overlapping functions of local governments, promote the efficient delivery of services, encourage the equitable distribution of community resources and obligations, and eliminate islands and peninsulas of territory that are not receiving municipal services, the boundaries of an area proposed for annexation shall be drawn, where practicable and feasible, along the boundaries of existing special districts for sewer, water, and other services, along the boundaries of school districts, and along the boundaries of other taxing entities.
- 10. In order to provide for the orderly growth and development in the City and avoid confusion and undue cost to the taxpayers, all utility and service hook-ups shall be limited to incorporated areas of the City and shall not be made available outside the City limits. The only exception shall be those extensions which are made pursuant to agreement with other units of government under the Interlocal Cooperation Act or by specific approval of the City Council.
- 11. Utilities should be extended to annexed areas as soon as practicable after annexation. However, the City is not obligated to provide utility services to newly annexed or undeveloped property.
- 12. Extensions of service lines and utilities shall be charged to the property annexed rather than to the public or City and shall be planned and constructed in full compliance with City ordinances.
- 13. Each annexation shall require a disclosure by the developer of anticipated needs of utilities and street improvements and a timetable of anticipated development.

19.22.02. Water.

- 1. Inasmuch as the annexation of property into the City of Saratoga Springs will ultimately require a supply of water resources within the annexed area, the owner of the annexed property will be required to demonstrate, upon development of the property, how they will provide, or purchase from the City, all water resources as required under the water ordinances of the City of Saratoga Springs.

19.22.04. Procedure for Processing Annexation Petitions

The procedure for processing annexation petitions and plats shall in accordance with Title 10, Chapter 2 of the Utah

Code. Petitions shall be on forms approved by the City. Before the City will process any annexation petition, the application shall be fully completed and all adopted fees shall be paid by the applicant. The City will not accept any annexation petition unless and until the applicant has paid the applicable fees.

19.22.05. Annexation Petition Review.

Once the annexation petition has been accepted by the City as complete, including payment of all applicable fees, the procedure under Title 10, Chapter 2 of the Utah Code shall be followed.
