

# Saratoga Springs Parks & Recreation COVID-19 Response Plan

Levels of response are based on the Utah Recovery Plan phase colors.  
 To review the Utah Recovery Plan summary please follow the link below.  
 Summary of the State of Utah COVID-19 recovery plan - <https://bit.ly/2xko5fD>

Red High Risk	Orange Moderate Risk	Yellow Low Risk	Green Normal Risk
------------------	-------------------------	--------------------	----------------------

The color that represents the current response for Saratoga Springs will be determined by the Utah County Health Department and the State of Utah. No programs will be held in the Red phase. All programs will resume normal operation during the Green phase.

For all programs in the orange or yellow phase: Spectator distance must be 6ft. or more between family groups. Max group sizes cannot be exceeded so spectators may be limited. Distance by players must be maintained as much as possible. No touching such as high fives are allowed. Only healthy individuals are allowed to attend/participate. All players and fans must exit the park/facility as soon as the game is over to make way for the next group. Encourage high risk players to stay home. Players and teams must disinfect equipment.

Program/Park Amenity	Ages/Grades	Orange Response	Yellow Response
Baseball Field Open Play		Closed	Allowed: Groups of 50 or less only. Maintain 6ft. of distance as much as possible.
Baseball Instructional	4 years-2nd Grade	Postpone	Have games at as many parks as possible to limit group gathering size. Games cannot overlap to allow teams to leave before next games start.
