INVESTIGATIONS DIVISION MONTHLY SUMMARY

September 1-30, 2009

Investigations of Note

Gang graffiti was observed at the entrance of the remote control aircraft park. The graffiti indicates an association with a Sureno gang from Pacoima, CA. Requests for intelligence has been made to Utah Gang Investigator Association, Utah County Jail, and Orem DPS Gang Unit. If the suspect(s) are identified, we expect to charge in the Justice Court and prosecute on a moniker only basis.

The Investigations and Patrol Divisions assisted a Salt Lake County agency with an in-common investigation.

Uniformed Investigator Jesse Davis identified a lewdness/battery suspect with limited information. The suspect was charged in the Justice Court.

An investigative subpoena (telephone) was authored to identify a potential suspect in the Epic Bike theft. The suspect has been tentatively identified, but has no stable residence, and is difficult to locate. It is expected the suspect will be charged within the next few weeks.
