

CITY OF SARATOGA SPRINGS

AN OFFICIAL PUBLICATION OF THE "CITY OF SARATOGA SPRINGS" - DECEMBER 2005

SNOW REMOVAL

As a reminder, please try to have any cars parked off the streets and cans removed quickly during the winter months. Also, please pay close attention to weather reports and if there is a storm coming, make certain that the streets in front of your homes are clear. Your efforts will help a great deal and will reduce accidents and increase our ability to keep streets clear in the winter.

If you have any after hours water or sewer emergencies, please contact the City's dispatch service at 851-4100.

REMINDER ABOUT GARBAGE COLLECTION

We have been asked by BFI, our garbage collection service to remind you that your garbage can should be out on Thursdays before 7:00 a.m. and your recycle can should be out on Fridays before 7:00 a.m. They do not always follow the same collection routes and so your neighborhood may experience pickup at different times each week. Also, if your can is missed you should contact BFI directly at 785-5935. If you have problems with BFI or are unable to obtain a satisfactory resolution to a problem, please call the City offices at 766-9793.
