

CITY OF SARATOGA SPRINGS

An Official Publication of the "City of Saratoga Springs" – January 2007

SNOW REMOVAL

Already this season we have experienced a major snow storm. During our snow removal we have noticed that there are several parked cars and City garbage cans on the streets overnight. This is not normally a concern, but for snow plows, this is a huge and difficult problem. Plows will pile up snow around parked cars, will not be able to plow as much of the street when they have to maneuver around cars or cans, and sometimes plows can actually hit parked cars or garbage cans. So please try to have any cars parked off the streets and cans removed quickly during the winter months. Also, please pay close attention to weather reports and if there is a storm coming, make certain that the streets in front of your homes are clear. Your efforts will help a great deal.

You may have noticed already that the City crews always try to clean off and sand the major streets in the City first. That is, your neighborhood street may not be cleaned off as quickly as a main collector street or an entrance to a neighborhood or subdivision. This is the best way to clean our streets and we apologize for any inconvenience this may cause. The City attempts to clean and make all streets safe after a snow storm. However, the major streets are always first priority for snow removal.

If you have any after hours water or sewer emergencies, please contact the City's dispatch service at 851-4100.

REMINDER ABOUT GARBAGE COLLECTION

We have been asked by BFI, our garbage collection service to remind you that your garbage can should be out on Thursdays before 7:00 a.m. and your recycle can should be out on Fridays before 7:00 a.m. They do not always follow the same collection routes and so your neighborhood may experience pickup at different times each week. Also, if your can is missed you should contact BFI directly at 785-5935. If you have problems with BFI or are unable to obtain a satisfactory resolution to a problem, please call the City offices at 766-9793.

CITY OFFICE CLOSED NOTIFICATION

The City Offices will be closed on Monday, January 15, 2007 in observance of Martin Luther King Day.

CHRISTMAS TREE COLLECTION

The city will collect live Christmas trees for the city residents. Please remove all ornaments and lights and take your tree to the Public Works building at 2015 South Redwood Road. Dumpsters will be available there starting Thursday, January 4, 2007. The trees will be chipped up and used as mulch around the city. If you have any questions regarding the tree removal, please call the city offices at 766-9793.

SPRING SOCCER REGISTRATION

The Saratoga Springs Recreation Department offers sports leagues for youth and adults. Currently, the City offers soccer, basketball, fishing, and flag football leagues. Registration can be done at the City Offices.

Upcoming Leagues

Registration for the Spring Youth Soccer will begin January 22nd and run through February 24th. Late Registration will be February 25th through March 3rd.

The fees are:

\$27 registration
\$32 late registration
\$8 Jerseys

The soccer season will run April 14th through June 2nd.

For any recreation questions, please contact Jennifer Lindley at 801-310-0609.
