<b>SIGN CODE CHANGE</b>	<b>2</b>
<b>COMMUNITY RESOURCES</b>	<b>3</b>
<b>SARATOGA SPLASH</b>	<b>3-4</b>

The City of Saratoga Springs is in the final phases of preparing next year's budget. The City budget outlines the financial plan of what programs and services will be provided in the next year. It contains all of the revenues and expenditures that the City anticipates in the coming year. A tentative or draft budget was adopted by the City Council in May and they are currently working on finalizing de-

isions regarding revenue and expenditure amounts before the budget is adopted in June. You may view a copy of the tentative budget on the City's website at [www.saratoga-springs.net/government/budget](http://www.saratoga-springs.net/government/budget). You are also invited to attend a public hearing on the budget. It will be held on Tuesday, June 10, 2008 at 7:00 in the City Offices.

## SEE WHAT'S NEW

Have you visited the City's website lately? If not, check out the new local businesses and attractions page located in the "About Saratoga Springs" tab. There you will find information regarding area businesses, restaurants and dining, local attractions, schools, and parks located in Saratoga Springs. Each business and attraction comes with an address and a phone number if available. We hope you will find these pages to be helpful. If you have any other suggestions or concerns please email [vchristensen@saratoga-springs.net](mailto:vchristensen@saratoga-springs.net).

**A BIG THANK YOU  
A MESSAGE FROM THE CHIEF**

To all those who came and participated in the Tip-A-Cop foundation by eating and giving a donation of either time and/or money, thank you very much for your willingness to help those kids who have a very difficult challenge. I am proud of the Officers, Civilians, C.A.P. volunteers, and the Explorers who all came and helped work the event without pay or other kind of compensation. This is what true volunteerism is all about. This event raised \$1,098 for those athletes participating in the Special Olympics. Thanks again.

**IT IS UP TO EVERYONE TO HELP PREVENT  
CRYPTOSPORIDIUM**

This summer, swimming pools will be filled with millions of people having fun and staying cool. But did you know that germs can contaminate swimming water even if even if it is disinfected with something like chlorine or UV equipment? Learning about recreational water illnesses, which are spread by swimming in contaminated recreational waters such as swimming pools, water parks, lakes, rivers and streams, can protect you from illness.

Crypto is resistant to normal pool chlorine levels and can live in a normal chlorinated pool for days. That is why even the best maintained pools can spread illness. Therefore, healthy swimming behaviors are needed to protect you and your kids from crypto germs and will help stop such germs from getting in the pool in the first place. Here are six "PLEASE" that promote healthy swimming:

- PLEASE don't swim when you have diarrhea and for two weeks afterward. This is especially important for kids in diapers. You can spread germs in the water and make other people sick.
- PLEASE don't swallow the pool water. In fact, avoid getting water your mouth.
- PLEASE practice good hygiene. Take a shower before swimming and wash your hands after using the toilet or changing diapers. Germs on your body end up in the water.
- PLEASE take your kids on bathroom breaks or change diapers often. Waiting to hear "I have to go" may mean that it's too late.
- PLEASE change diapers in a bathroom and not at pool-side. Germs can spread to surfaces and objects in and around the pool and spread illness.
- PLEASE wash your child thoroughly (especially the rear end) with soap and water before swimming. Everyone has invisible amounts of fecal matter on their bottoms that ends up in the pool.

For more information on safe swimming practices, please visit the Utah County Health Department's web site at [www.UtahCountyHealth.org](http://www.UtahCountyHealth.org) and click on "Preventing Mr. Crypto," or call 851-7525.

**NEIGHBORHOOD OUTREACH  
MEETING OPEN HOUSE**

Residents of the following:

- Saratoga Heights
- Sage Hill
- Coyote Creek
- Sunrise Meadows
- Saratoga Meadow
- Lexington Hills
- Sierra Estates
- Sunset Haven

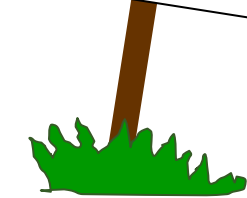

Do you have questions or concerns regarding your home, area, etc? Come be part of the City's Neighborhood Outreach meeting open house. Let your voices be heard. The police, fire, building, planning, public works and other departments will be available for any questions or concerns you may have.

Join us on Tuesday, June 17, 2008 at the Fire Station located at 995 West 1200 North from 6:30 p.m. - 9:00 p.m.

Don't see your neighborhood on this list? For more information on when your neighborhood meeting is scheduled, visit the City website, watch for updates in the newsletter, or contact Valerie at 766-6506.

Please do not flush or pour the following items down your toilets and/or drains: baby wipes, feminine hygiene products, hair, and grease. We are noticing problems with the pumps being clogged around the Lake Mountain and Pelican Bay developments. We appreciate your corporation in this matter in helping the City prevent future sewer back-ups. If you have any questions or concerns please contact Cody Carter, Sewer Supervisor at 691-8488.

**SIGN CODE CHANGES**  
The City of Saratoga Springs is proposing changes to the sign regulations within the Land Development Code. The Planning Commission, City Council, and City staff have worked together over the past few months on a new ordinance that will impact signs for business owners, builders, and real estate developers. Modifications to the Code will impact temporary business signs and development information signs. The Planning Commission will hold a public hearing on the proposed changes on June 3, 2008 and the City Council will hold a public hearing on June 10, 2008. Draft copies of the proposed ordinance can be obtained from the Planning Department at 1307 North Commerce Drive, Suite 200, Saratoga Springs. Questions about the changes should be directed to Judson Rex at 766-9793 or [jrex@saratoga-springs.net](mailto:jrex@saratoga-springs.net).

COMMUNITY RESOURCES
