

Saratoga Springs Stormwater Permit

1307 North Commerce Drive, Suite #200 – Saratoga Springs, Utah 84045 (801) 766-9793

The applicant shall obtain from any other state or federal agency any other appropriate environmental permits that pertain to the property and submit such permits with the application for a Storm Water Permit. The inclusion of those permits in the application shall not foreclose the City Engineer from imposing additional development requirements and conditions consistent with this ordinance on the development of property covered by those permits. Failure of the applicant to obtain the necessary permits may be the basis for denial of issuance of a Storm Water Permit.

VIII. CERTIFICATION

I certify under penalty of law that I have read and understand the requirements for coverage under Storm Water Permit pursuant to Chapter 18.06 of the Saratoga Springs Municipal Code. I further certify that to the best of my knowledge, all discharges and BMPs that have been scheduled and detailed in a storm water pollution prevention plan will satisfy requirements of this permit. I hereby grant permission to the City to enter the property at reasonable times to inspect all BMP's and stormwater facilities to ensure that they are being properly maintained. I understand that continued coverage under this storm water permit is contingent upon compliance with all rules and regulations of the Saratoga Springs Municipal Code.

I also certify under penalty of law that this document and all attachments were prepared under the direction or supervision of those who have placed their signature(s) below, in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete.
