## Snow Removal Prioritization

During the winter months, the City's goal is to keep the streets safe for travel. The City is responsible for approximately 90 miles of road equating to about 180 miles of plowing. City crews conduct snow removal and road salting operations around the clock if necessary during winter storms. In order to achieve this, the City has a prioritized sequence in which the roads will be plowed and salted.

**Residents are asked to not park vehicles on roadways during or immediately after a snowstorm to allow snow plows to clear roadways.**

During severe storms the Public Works Department may only get to the priority streets as those roads must remain as clear as possible. Second and third priority will get cleared, however it may take a couple days after a large storm to get to them. It is also not the position of the City of Saratoga Springs to maintain a bare pavement policy on every street after a snowstorm given the many other duties of the Public Works Department.

Additional information regarding the City's snow removal guidelines and a map of street prioritization are available online at [www.saratogaspringscity.com](http://www.saratogaspringscity.com).

Residents can contact Public Works at (801) 766-6506 with questions about snow plowing.

## Contact Your City Council

The Saratoga Springs City Council meets the first and third Tuesdays of every month unless otherwise posted. Meeting agendas are available online at [www.saratogaspringscity.com/agendas](http://www.saratogaspringscity.com/agendas). The mayor and city council members appreciate residents' input on issues in our community.

## Who do I contact to fix...?

*Download the service request mobile app for Saratoga Springs*

Have you come across a streetlight issue, a pothole, a landscaping issue or something that needs attention in Saratoga Springs? Now you can notify City staff straight from your smart phone with the Saratoga Springs mobile app.

The Saratoga Springs mobile app is a free, simple and intuitive smart phone application that helps residents and visitors of Saratoga Springs to report issues to the appropriate City department for a quick resolution.

Powered by CitySourced technology, the application uses your smart phone's location services to automatically provide the issue's location, submit pictures and simplifies the reporting process for both residents and City staff. Once residents have submitted an issue, the progress of the service request can be tracked and residents can receive updates about the issue within the app.

Simply download the app by visiting the Google Play store or the App Store on your Android or iOS device and search for "Saratoga Springs City Mobile."

**\* Please note, this app is not intended for use during an emergency.**

## Shay Park Fundraiser

Shay Park is currently under construction at the intersection of Aspen Hills Boulevard and Lyndi Lane. The 12-acre park will feature many amenities including a pavilion, picnic tables, playground equipment, restrooms, playing fields and area for a scale railroad to be installed at a future date.

The Utah Live Steamers Railroad Club is currently raising money for Shay Park to install a 1-inch aluminum rail and locomotives for trains to pull visitors at the park. Residents and businesses that would like to help with the purchase of the rail should contact the Utah Live Steamers Railroad Club at (801) 798-0241 or via e-mail at [cmry@sfcn.org](mailto:cmry@sfcn.org).
