City of Saratoga Springs Receives Fourth Consecutive Budget Award

Saratoga Springs – For the fourth consecutive year, Saratoga Springs was awarded the Distinguished Budget Presentation Award from the Government Finance Officers Association (GFOA) for the City’s budget document for fiscal year 2014-2015. The award is presented to entities that demonstrate the highest principals of proficiency and excellence in budget preparation and presentation. To receive the award, a budget document must meet fourteen criteria in each of the following categories: serve as a policy document, a financial plan, an operations guide and a communications device. This is the fourth year the City has applied for the award.

“Saratoga Springs continues to be recognized for its efforts to be fiscally responsible,” said Mayor Jim Miller. “Being recognized for the fourth straight year is credit to our City Council and staff for their hard work to produce a comprehensive budget document to meet our goals as a city.”

According to a release from the GFOA, the award represents a significant achievement by a city and shows a commitment by a city council and staff to meet the highest principles of governmental budgeting. The GFOA is a nonprofit professional association serving more than 18,000 government finance professionals throughout North America. The GFOA’s Distinguished Budget Presentation Awards Program is the only national awards program in governmental budgeting.
