

## COMPACTION CERTIFICATION LETTER

General Contractor \_\_\_\_\_ State License # \_\_\_\_\_  
Official Company Name

Job Site Address \_\_\_\_\_

Subdivision \_\_\_\_\_ Lot \_\_\_\_\_ Plat \_\_\_\_\_

This letter confirms that the soil used for backfilling trenches, backfilling around the structure, and other excavations on this lot has been properly compacted in lifts to a minimum density of 90%, as per code, using acceptable and approved methods.

The contractor or builder noted on this letter will take full responsibility for this work and will guarantee the project from damage related to settling for a minimum period of one year.
