WHY: The Saratoga Springs Fire Department will host the winners of the department's elementary school Safety Tip Program and their families for a breakfast at Station 261 (995 West 1200 North) on Saturday, May 30, from 8 a.m. to 9 a.m. The winners were selected from local elementary schools as part of the Fire Department's Safety Tip Program to help educate local children about the importance of being safe. Along with breakfast, the Fire Department will take the students and their families on a tour of the fire station and show what firefighters do on a day-to-day basis.

During the 2014-2015 school year, the Saratoga Springs Fire Department partnered with local elementary schools to provide a safety tip program. The program provided monthly safety tips for schools to help educate students on the importance of safety. A student from each participating school was selected to receive a ride to school in a fire engine and participate in the reward breakfast with their families among other prizes.
