Pony League Rules

All rules will follow Utah Boys Baseball Association (U.B.B.A) rules unless otherwise stated in the rules below.

Game Time

1 hour 45 minutes for regular season and tournament.

Bat Rules

Players are allowed to use up to a 2-3/4" diameter barrel bat.

For Pony league the max drop bat size is -5.

Line Up

Game clock will start at the scheduled game time. Lineups must be turned in at least 5 minutes before game time. If lineups are not turned in 5 minutes before game time one run will be added to the opposing teams score to start the game. If a game goes over the allotted time the next game will start within 5 minutes.

Batting

During season play coaches are required to bat everyone and play everyone. No exceptions! During post season tournament play, Saratoga Springs will follow the U.B.B.A State Tournament rules.

Base Running/Stealing

The Pony league will play with lead offs and pick offs for regular season and tournament play. This will also continue for U.B.B.A State tournament play. Balks can be called in this league. Running on dropped third strikes will be allowed for Pony league. In this scenario, 1st base cannot be occupied with less than two outs but can be occupied if there are already two outs.

Extra Innings

No extra innings will be played during the regular season. Games can end in a tie. No new inning will begin after time has expired. If the home team is batting when time expires, and CANNOT score the necessary runs to win the game, the game will end. Otherwise the game will continue until the home team either scores the winning run or 3 outs are achieved. This is for season play only.

Mercy Rule

For all leagues, if a team is leading its opponent by 12 runs after 3 innings, 10 runs after 4 innings, or 8 runs after 5 innings, the team in the lead will be declared the winner.

Penalties

Any team failing to field at least 9 players will be assessed an out in the batting order for each missing player at the palace designated by the coach (before the game starts). Game will be declared a forfeit if a team cannot field at least 7 players.

Pitching

Pitchers are allowed 24 outs per week. If a pitcher throws 1 more pitch than 12 outs then such pitcher cannot pitch again until 1 full calendar day's rest. Pony pitchers can throw a max of 21 outs in one day. Pitchers are allowed 8 warm-up pitches. Each new inning will start within 2 minutes from the last out.

Metal cleats are not allowed at all on the pitching mounds. Pitchers must wear rubber cleats, turf shoes, or gym shoes while pitching on the portable mounds. No exceptions!

Pitching Charts

All coaches are required to sign the pitching chart after their game has been completed. If it is not signed it becomes official with what the scorekeeper has recorded. All pitching must be reported to the tower.

Infield Fly

The infield fly rule can be called in all leagues. However, it is completely up to the discretion of the umpire in all age groups. All umpire decision are final.

The home team will take the 3rd base dugout.
