Jess L. Campbell – Fire Chief

Saratoga Springs City Ordinance for the use of Fireworks:

Fireworks, both safe & sane as well as aerial displays can be utilized in any safe use **except the following:**

If you live within 200' of ANY undeveloped and urban interface area; this is any area that is next to the foothills, large areas of undeveloped property, or agriculture fields. ***ALL fireworks are banned*** from use in these areas within 200' proximity of such property.

If you live within 150' of an undeveloped lot or property in a residential neighborhood or area, ***ALL fireworks are banned*** from use in these areas within 150' proximity of such property.

If an individual(s) use of any fireworks in any setting causes a fire to break out; you can and will be held liable for any damages and costs associated with suppression of that fire(s).

The State of Utah regulates the days and hours of the day when fireworks can be discharged.

- July 1-7, 11:00 AM - 11:00 PM. On July 4, hours are extended until midnight.
- July 21-27, 11:00 AM - 11:00 PM. On July 24, hours are extended until midnight
